## YOUNG WIFEHOOD

Boston, Mass., 152 Shawmut Ave., Oct. 25, 1902.  
After I had been married about four months I felt my health generally decline. I seemed to lose the light step and dragged wearily along instead. My appetite failed me and I lost health and strength. I was nervous and had shooting pains through my limbs and stomach while bearing down pains and constant headaches added to my misery. The menstrual flow became more and more profuse and I was unfit to attend to my daily duties. My husband called in three different physicians and I took enough medicine to kill or cure a dozen women, but it all had no effect on me whatever, until I took Wine of Cardui. In a few days I felt a change for the better, my general health improved and at the next time of my period my flow was more natural and I was in less pain. Gradually I recovered my health and strength and am now in perfect health. I take an occasional dose of Wine of Cardui which keeps me well.

I am happy to give you this endorsement.

Why don't you try for the same health Mrs. Ricker has? It is easy to secure if you take Wine of Cardui according to directions. Wine of Cardui strengthens weak and worn-out women of any age and assists the mother and housewife to bear her exacting duties. Wine of Cardui makes women fit for all the duties of womanhood.

It will relieve the pains of irregularity, cures falling of the womb, leucorrhoea, ovarian troubles, and has been known to remove what physicians considered dangerous tumors. Women who use Wine of Cardui do not suffer at the monthly periods. They do not suffer hysterical attacks, because Wine of Cardui gives them strong nerves freed from the irritation of female suffering.

A \$1.00 bottle of Wine of Cardui purchased from your druggist will keep you free from pain.

# When Others Fail

Write Me a Postal--I'll Send You a Way to Get Well

Send no money—just a postal card, stating which book you need. Then I will mail you an order on your druggist for six bottles Dr. Shoop's Restorative. You may take it a month to prove what it can do. If it succeeds, the cost is \$5.50. If it fails, I will pay the druggist myself. And your mere word shall decide it.

No matter how difficult your trouble, nor how many treatments have failed. My way does not fail, save when some cause like cancer makes a cure impossible. I am willing to take the risk, and trust you to be fair.

Why not stop common treatments for a little while and learn what my way can do? If I have enough faith to make such an offer, is it not pretty certain that I know how to cure? If my way often failed the losses would ruin me.

In the past twelve years I have furnished my Restorative on trial to more than half a million patients. My records show that 39 out of each 40 have paid for the treatment gladly, because they got well.

I worked a lifetime on my Restorative before I ever made this offer. I perfected it until it will always strengthen the inside nerves. It brings back this nerve power which alone operates every vital organ.

When an organ fails in its duty, the fault seldom lies in the organ. It is like a weak engine; it needs more steam. My Restorative brings back the power that it needs, and makes it as strong as it ever was. In these chronic diseases there is rarely any other way to a cure. And this way doesn't fail in any case that is curable. Try it for a month at my risk, and you'll know.

Simply state which book is wanted and address  
Dr. Shoop, Box 317, Racine, Wis.

Mild cases, not chronic, are often cured by one or two bottles. Dr. Shoop's Restorative is sold by all druggists.

Book No. 2 on the Heart.  
Book No. 3 on the Kidneys.
